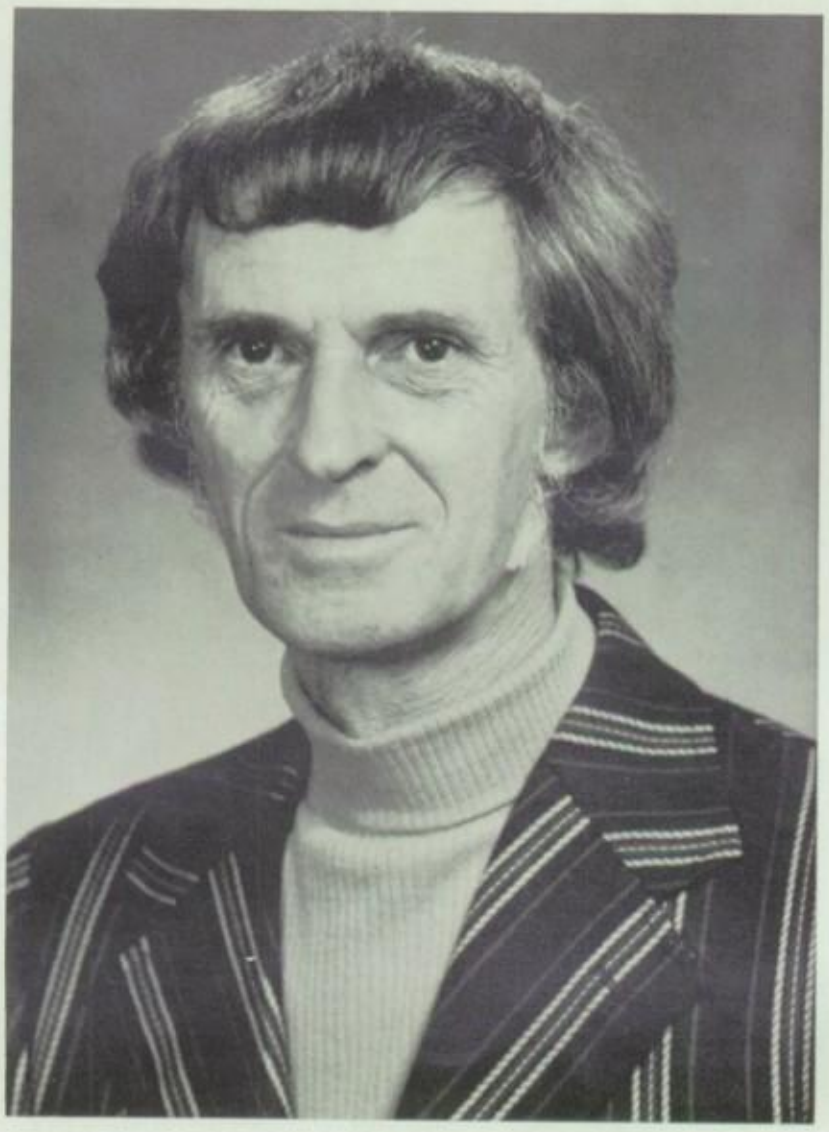
OF OUR LIVES

MEMORIAL

In memory of Louisa Mattiacio a student at North Syracuse High School for two years. Louisa was a pleasant, conscientious student and a hard worker who was on the merit roll for her two years at North Syracuse.

In memory of Donna Sauter a new student to North Syracuse High School. Though she was at North Syracuse a short time, she was an active student and band member.

DEDICATION



Robert Graham started teaching English at North Syracuse High in 1958 and became a leader of the department, giving direction in shaping the English program. Mr. Graham was the Chairman, then Coordinator of the English Department, and directed school drama activities, but he will probably be best remembered for his originality, creativity, and wit which contributed to many aspects of North Syracuse High. N.S. has missed this inspirational teacher since his retirement in 1977.

Florence Supnik has been an important force at North Syracuse High School since she began her teaching here in 1957. Well remembered for her involvement in extra-curricular activities, and especially as Student Government Advisor, Mrs. Supnik backed many student proposals which initiated changes here at N.S. Her high scholastic standards inspired many students to attain a level of achievement in the Social Studies area that they had not thought possible. Mrs. Supnik retired in 1977.

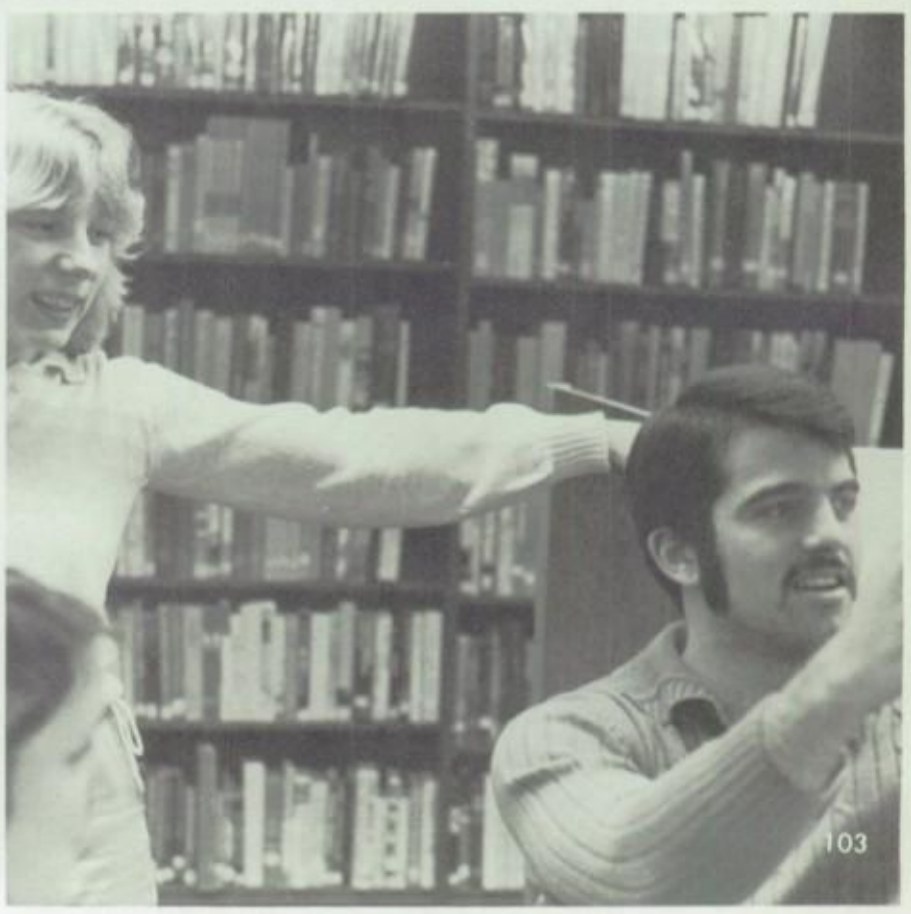
In Memory of Jeff Bearup

Consideration for others, perseverance, and a positive outlook are a few of the qualities which Jeff possessed that made him an excellent student and a popular classmate. The manner in which Jeff faced life and death with great courage was an inspiration to all of those who knew him.

Death be not proud, though some have called thee
Mighty and dreadful, for thou art not so;
For those whom thou think'st thou dost overthrow
Die not, poor Death; nor yet canst thou kill me.
From Rest and Sleep, which but thy picture be,
Much pleasure; then from thee much more must flow;
And soonest our best men with thee do go —
Rest of their bones and souls' delivery.
Thou'rt slave to Fate, chance, kings, and desperate men,
And cost with poison, war, and sickness dwell;
And poppy or charms can make us sleep as well
And better than thy stroke. Why swell'st thou then?
One short sleep past, we wake eternally,
And Death shall be no more; Death, thou shalt die.



The times of your life,
remember; the substitute teachers,
exciting events throughout.
Parking lots, football fields,
Friday night games,
trophies, pins, metals we won,
Silly times of laughter,
tricks and slyways,
The times of your life
Remember:

We all have hopes and dreams
They're like flowers
That stretch high and higher
into the sky

The times of your life
Remember:

For we are still sharing
a memory of time
Now you can only continue
on your own . . .
